

## Release Note for Android Smart VPN APP

Software Version:	1.6.4
Release Type:	Regular – Upgrade recommended when convenient, as it includes general improvements and optimizations
Applied System:	Android 8 and above

The Smart VPN Client Android version is a VPN APP. It makes VPN configuration easy for users. It could support the following VPN schemas, OpenVPN, WireGuard, EasyVPN and SSL VPN Tunnels.

### New Features

- None.

### Improvement

- Corrected: An issue where the WireGuard VPN connection could not be established if the Pre-Shared Key was not configured.
- Corrected: An issue where previous EasyVPN settings were not cleared properly, leading to new VPN connections using outdated user credentials.
- Corrected: After setting up Port Knocking with EasyVPN (OpenVPN), the settings related to Port Knocking would vanish when the VPN was disconnected.

### Known Issue

- None.
